Take relevant screenshots of your output and make the word document with your Name and Mail ID on top of document.

How to upload the file:

Click on below attachment symbol.

Upload the find in below submission portal and click on submit.

Ensure that your file size is 120 MB not more than that.

The image shows a web application interface with a 'File Submission' modal form. The modal has a title bar with a close button (X). Inside, there is a large dashed box for file upload with the text 'Drag and drop file here or click' and a cloud icon. Below this is a text area labeled 'Description'. At the bottom right of the modal are two buttons: 'CANCEL' and 'SUBMIT'. A red arrow points to the 'SUBMIT' button. The background shows a navigation bar with 'Home', 'Explore Techademy', 'My Learning', and 'Social' (with a dropdown arrow). There are also search, calendar, and chat icons. The footer of the modal area says 'Evaluation Based on following Skills' and 'Page 1 / 9'.
